IM Tech Meet Up, UK, volunteering - *Speaker*

 February 2023

- Delivered a talk on becoming a Developer and my experience transitioning from Law to Tech.

PROJECTS

[Lola Taiwo Portfolio (2024)](): Developed captivating portfolio designs in collaboration with top product designer Lola Taiwo, featuring engaging interactions and cutting-edge visual elements.

[Eniola Abiola portfolio (2024)](): Executed the design implementation for the portfolio of the lead product designer of the mobile team at Flutterwave, a Nigerian tech unicorn.

[Trailer Point (2023)](): Developed a movie trailer showcase using React and The Movie Database API. Curated to display the trailers of Trending Movies, providing an engaging user experience. Implemented a toggle feature enabling users to switch between dark and light themes for an enhanced viewing experience.

[Fitness Junkie (2023)](): Crafted a fitness application using React and Tailwind CSS, integrating over 1000 fitness programs sourced from Rapid API. Designed to enhance personal gym performance and facilitate workout routines.

Recommendation letter for Similoluwa Ayodele Ayodele

Dear colleague -
I hope this finds you well.

I'm writing to you to **strongly endorse Similoluwa Ayodele Ayodele** for a technical role in your company.

We are a social venture that supports young aspiring talents from non-European countries in finding a challenging tech job in Europe or North America. We run a highly selective 4 week digital boot camp for full stack developers, data scientists/engineers and software automation testers. Over the course of the program, we identify candidates whose talent, passion and work ethic significantly stand out from their peers.

Similoluwa Ayodele Ayodele is an outstanding Frontend engineer who ranks in the top 10% of our peer group.

English communication **Strong** – validated in multiple rounds of 1:1 interviews Technical skills **High & up to date** – on par with candidates in Germany Unique qualities **Academic excellence (top 10% of class)**

EU 'Blue Card' eligibility **Yes** - Degree needs review - run a quick check via Anabin DB Maturity

Junior – 1 year of work experience

Please feel free to reach out to me personally at johann@joinimagine.org in case of any questions. Warm regards & herzliche Grüße -

Dr. Johann Daniel Harnoss
Founder & CEO

We imagine a new world. A world where people freely unfold their talents. A world in which talented people from outside Europe move effortlessly towards opportunity. A world in which our firms tap into new sources of talent. A world in which Europe becomes a beacon of light and opportunity for young global talent.
